Place & time: 5 Harvey Street, Macquarie Fields (Tel. 9605 2548 / 0433 213 566) between 5.00 PM to 8.00 PM

Australian Muslim Welfare centre (AMWC) is committed to ensure that your Qurbani will be in accordance with the rules of Shari'ah through confirming the following:

1. The most essential recitation of Tasmiyah and Takbir when slaughtering each animal of Qurbani.
2. The age of animals (e.g. at least 1 year of age for goat, 6 months for lamb and 2 years for cow).
3. Presence of a representative of AMWC on your behalf (on Eid day after prayer) in order to make sure that your name is mentioned at the time of slaughtering the animal of Qurbani.
4. Distribution of your share (meat) of the Qurbani from that animal which was slaughtered by mentioning your name.

N.B. If you are willing to donate one third (or whole) of your Qurbani meat to the poor people in Bangladesh through AMWC, we would request you to please sell it by your own arrangement (e.g. buy for yourself) and then donate its proceeds/money to Bangladesh through us. AMWC has taken initiative through 'Al Bashara Butchery' for sending Qurbani meats (of those who are willing to donate their portion) directly to the poor people of Bangladesh (subject to the Australian Quarantine clearance).
