Julia Finn and Prabir Maitra are strong and effective local councillors.

Four years ago, Julia and Prabir, increased Labor's vote in the ward by about 10.5%. This was against an atmosphere of growing hostility to Labor and a swing against Labor across Sydney of 3%.

This strong performance was the result of a solid campaign based around issues that matter to the community like improved facilities, employment growth in Parramatta CBD and fighting overdevelopment in the suburbs.

This campaign couldn't have happened without you and now's the time to stand up and make sure we send these strong community advocates back to council
