

The Circus Clown

Audrika Haque (7)

Come on everybody there's a circus in our town,
Come and see the colours on the funny circus clown!
He has a hat with lots of colours like purple, pink and brown,
So come on everybody there's a circus in our town.

Weather

Audrika Haque (7)

Snow makes it white,
Rain makes it blue,
Sun makes it very bright,
Wind makes me fly my kite!
