

## Rain

---

Rain, rain  
Torrential rain.  
How am I going to  
Catch the train.

Lightning, lightning  
Looks so frightening.  
I can't believe, people  
Are cycling.

Thunder, thunder,  
It doesn't sound  
Very nice.  
It's so loud, it's  
Killing the mice.

## Birds

---

Birds like to fly  
Birds like to cry  
Birds like to hop  
Around very high.

Birds like to eat  
Birds like to be neat  
Birds like to kick, with  
Their feet.

I don't know why  
Birds like to peck,  
All I know is -  
They PECK, PECK, PECK.
