Bangladesh-Australian Disaster Relief Committee (BADRC) is appealing to all Bangladeshi living in Australia to extend their hand for the victims of the Tropical Cyclone Larry. The Cyclone has affected residents in North Queensland from Cairns to Mackay, with devastating damage to houses, services and crops over a large area.

Please donate at any branch of the **Commonwealth Bank**, or by calling **1800 150 411**, 24 hours a day 7 days a week.

No donation is too small _ every dollar will help victims. Donations of \$2.00 or more are tax deductible.
