

# DREAM COME TRUE

January 1<sup>st</sup> 2006 was a memorable day in my life. Australia and South Africa were about to play a test match at the SCG. My friends from cricket and I went to the SCG, ignoring the 45 degree heat to meet my favourite players while they train.

I met both captains, Ricky Ponting and Greame Smith

and also met Justin Langer, Andrew Symonds, Mike Hussey, Shaun Pollock, Mark Boucher, Herchelle Gibbs, Andre Nel and AB de Villiers.

Finally it was the moment I've been waiting for. I got a chance to meet my favourite players, Adam Gilchrist and Glenn McGrath. I shook their hands and said hello. I got their autographs and took pictures with them. I felt honoured to meet these world class players. What a day!
