

# MEMOIR OF BELI

Tabibar Rahman

Time is eternal  
But we are mortal,  
You have passed away  
In an eternal journey  
To Mathmainna.  
To our creator the Lord- the glorious  
And the omnipotent most Merciful to his servant,  
We the Mooklukhat- the Insan.  
We in this ephemeral world of time remember you,  
For an eternal bliss in the garden of Jannath  
Where lives never end for the Muminin.  
Adorned with your memoir in my heart  
Spirits as like the heavenly guide  
To subdue the evils of the worldly affairs.  
Eternal 12 June has come back again  
To pay you sublime homage.  
Pray and forgiveness to our Lord  
With a great congregation in your  
Abode of Beli Ashram.
